(company stamp / signature)

As final customer i acknowledge, that in case of non-compliance of operating – and safety regulations in accordance with handed over Owner Manual, liability of manufacturer lapses. I give up assertion of claims from Product Liability Law for consequent property damage.  
The business partner shall be obliged to refrain from selling, entrusting or otherwise passing on goods under any circumstances or for any legal reason whatsoever to customers or to persons who are not business (contractors) if the goods were manufactured exclusively for business use.  
In case of sale or transfer of the concerning machine, I have to instruct the practical purchaser or recipient about Owner Manual, Commissioning - , Operating – and Safety Regulations as well as maintenance instructions verifiable and transfer the Owner Manual and the duties I have taken.
